DEADLINES
Call 1: 25th November 2021
Call 2: 10th January 2022
Call 3: 25th February 2022
Call 4: 10th April 2022
Call 5: 31st May 2022

ART. 1 - Subject, duration and amount

In order to encourage international students to enroll at the University of Pavia, **150 tuition fee waivers will be awarded on a "First come first served" basis to students enrolling in selected Bachelor's or Master's degree programs** at the University of Pavia for academic year 2022/23.

The holders of the exemption must confirm their enrollment and only **pay the tuition fee installment that covers a regional tax for the right to higher education and the duty stamp. The sum - around €156.00 -** is revised annually and can therefore be subject to slight variation. The exact sum to be paid for students enrolling in the 2022/23 academic year will be made known at a later time.

The fee waiver is **effective for the first year only and cannot be extended or renewed**.

ART. 2 - Requirements

All the applicants must fulfill the following requirements:

1. **Hold a non-Italian citizenship (either Non-UE or EU);**
2. **Hold a residency outside Italy;**
3. **Hold a High School diploma/Bachelor's degree obtained outside Italy;**
4. **Be admitted to one of the Bachelor's or Master's degree programs listed in Attachment 1.**

ART. 3 - Incompatibility

Tuition fee waivers are **not compatible** with:

- **Any other kind of scholarship/grant issued by the University of Pavia**;
- **EDiSU Pavia scholarship:**
  Students who apply for a fee waiver can also apply for EDiSU scholarship via a call that is published in July every year (see www.edisu.pv.it). The EDiSU scholarship consists of a grant, a free meal/day at the canteens, free accommodation in an EDiSU college and a fee waiver. As the fee waiver is already included in the EDiSU scholarship, EDiSU scholarship winners will automatically lose the fee waiver offered by this call;
- **Study grants issued by the Ministry of Foreign Affairs and International Cooperation (MAECI);**
- **Study grants issued under an Erasmus Mundus Joint Master's degree**;
- **Multiple or joint degree programs for which tuition fees have to be paid to a partner University other than the University of Pavia.**
